

We collect and treat personal data in compliance with the European General Data Protection Regulation in order to organize the workshop and keep you informed of any follow up. Our Personal Data Protection Policy is available on <https://www.health.belgium.be/fr/protection-des-donnees-personnelles>.

Pictures and footage may be taken during the workshop, aiming to advertise its content on the iasregulation.be webpage and our social media. We would like to highlight that pictures and videos may be taken. If you do not wish to appear on those visual supports, please specify your choice during the registration process at the beginning of the workshop.
